Discussion Questions:

1.

What position
does Christ
occupy in the
flow of the
main points in
1:3-2:5?

2.

How do the
Christian and
non-Christian
worldviews dif

fer

? What
Christian
things replace
non-Christian
things when

you become a
Christian?

Consider
especially the
summary
contrasts in

2:8-10, and
details in ch.
2.

3.

Extra credit: What do the Christian and non-Christian worldviews share in com

mon

? Consider

Psalm 19:1-3;

Rom. 1:18-21.

4.

According to
3:5-11, what “
basic
principles
” “live” at the
center of an

unbelieving
life? What
things live at
the center of
a believer's
life? (3:12b)

How do these
come to
expression
in people's
relationships
(3:18-4:1)? In

their life in their community (4:2-18)?

5.

Explain how
Paul's
critique in ch.
2 fits one

non-Christian worldview, and what parts of the Christian worldview

would be
distinctively
better than
that
non-Christian
worldview.

Example
worldviews to
consider: m
aterialism,
hedonism,
asceticism,

atheism,
secular
science,
Islam,
Hinduism,
Confucianism

;

Mormonism.
